

Peer Review Form
Project 1 - Parallel Swap

Your name: Justin Milliman

Team number/name: 6

Your Teammate: Akshay Kumar Dosapati

Preface: we were by no stretch the most functional, nor the most fluent team. There was contention for a while as expectations were not properly managed in the beginning, and work was not equally shared throughout the project. It was definitely late, but the discussion has been had. All is resolved.

Score [1 - 10]	Category
1	Technical contributions in different stages of the term project
10	Attendance in team meetings
10	Contribution in team meetings
1	Effective accomplishment of assigned tasks
10	Responsiveness to the requests of the team
10	Taking responsibility for potential mistakes
N/A – No officially assigned Team Lead	If this person was the team leader, then give a grade on his/her project management
7	Overall Score: $[(1 + 10 + 10 + 1 + 10 + 10) / 6] = 42$
